Councilman Nutt – Present

Councilman Duckwall called the Public Hearing for consideration of the Economic Revitalization Area AT 401 Blair Pike (Former Kokomo Tube).

Brooke Robertson, MCEDA explained the area had a project in the works, but since was put on hold. MCEDA would like to continue moving forward with the revitalization area as another company is looking at the building. This will allow the county to offer incentives to prospective companies wanting to locate to the area.

Adjourn Public Hearing

Respectfully submitted
