As they are homeless and need a place to stay as they get housing arranged. Data from 2-1-1 has been obtained and shows need for the RR grant in our community. Debi Wallick and Antonia Sawyer will look into other grant opportunities to further sustain RR. Debi Wallick and Mayor Greer will meet with local banks and discuss community reinvestment act credits that we may be able to put toward the RR match funds.

11:45am: Bridgett Richardson and Amber Grover presented a "Walk for Recovery" to the SOCGC. They would like to start the walk at 10am and have the walk from the ballpark to the event center. And will be a community event in memory of those lost to addiction or those in recovery. Mayor Greer needs a map of the walk to get permission from the board of commissioners to ensure streets are blocked as needed.
