11:30am: Antonia Sawyer brought the meeting to order. All in attendance introduced themselves and Faith Kingery volunteered to be note taker for this meeting.

Meeting minutes for October were accepted and voted in. Antonia Sawyer then discussed the “E-Vote” outcomes for (1) Overdose Response Pilot Project through the local health department and ISDH. SOCGC approved to move forward with 13 yes votes with only 8 needed to pass. Although the SOCGC voted in favor, the Miami County Health Department declined to apply, this was due to understaffing and already collaborating on the “Miami County Naloxone Initiative” program. (2) 21st. Century Learning Center intent to apply letter for grant; through the IDOE. SOCGC approved to move forward with 10 “yes” votes and 8 needed to pass.

The SOCGC then discussed if they would like to move forward with applying for the 21st. Century Community Learning Center block grant in the sum of \$300,000.00 per year for 4 years, with 5% of funding dropping each year after 2018. The majority ruled “NO” with the first motion by Lisa Boothby and the second by Debi Wallick.

SOCGC will further investigate the “HopeKids USA” that is expanding within the community. Antonia Sawyer will meet with Pastor Jim Walker to further discuss and see how SOCGC can help. KidsHope USA is paid for through the sponsoring church and looks to pair one child, with one mentor, from one school, for one year. Pastor Jim Walker is looking for mentors, substitute mentors, and prayer partners.

Remedy Live has received \$1,000.00 toward \$5,000.00 need. MHAI grant will be approved/denied by 11/20/17 and then Antonia Sawyer will apply through the Lutheran Foundation for the remaining \$1,000.00.
