

For the safety of the citizens and county employees, the Miami County Board of Commissioners have approved to move to a single point of entry to the Miami County Courthouse, **effective September 2, 2025**. The single point of entry will be located at the N entrance (5th Street) of the building, which has been indicated by the red arrow on the map. All citizens entering the Miami County Courthouse will now be subject to screening via metal detectors when accessing the building.
